Donna Jackson

Apprenticeship: NVQ 3

Fabrication & Welding

Dates: 2007 - 2009

Fabrication & Welding Apprentice Donna Jackson has shone above others by being awarded the prestigious Medal for Excellence and more recently the Cultler's Company Fox Medal.

Donna's interest in motorcycles led her to begin an apprenticeship at Corus, where she now works as a 4th year Structural Apprentice. She has balanced her dyslexia and working in a traditionally male-dominated environment to gain a NVQ Level 3 in Fabrication and Welding and aims to complete a foundation degree in Manufacturing Engineering.

“The career opportunities available from training at North Lindsey College are excellent. You are learning from people in the trades.”

Ben Simpson

Apprenticeship: NVQ 2 Plumbing

Dates: 2005 - 2007

Ben Simpson started a Level 2 Apprenticeship in Plumbing which he successfully completed working with his employer and North Lindsey College. Ben has spent several years in industry but has come full circle to teach students in the construction sector wishing to gain a qualification in plumbing. As an ex Apprentice Plumber, Ben is now sharing his knowledge and experiences with current learners at the College.

Joanna Wood

Apprenticeship: NVQ 2 Hairdressing

Dates: 2004 - 2006

Joanna started her Level 2 Apprenticeship in Hairdressing in 2004 where her skills were quickly recognised and shortly after completing her Apprenticeship she was promoted to Manager of Salon 10 in Epworth.

Joanna has demonstrated how effective Apprenticeships can be by having an entire workforce trained to Apprenticeship standards.

“I was really pleased to complete my apprenticeship. It provided me with great skills that have helped me in my job and career. I support apprentices and employ them in the salon because I know they can get the job done.”

Christopher Whiteley

**Apprenticeship: NVQ 2 Motor Vehicle
Maintenance & Repair / NVQ 3 Motor
Vehicle Maintenance & Repair**

Dates: 2005-2006 (Level 2) & 2006-2008 (Level 3)

Chris started College as a full-time learner in Motor Vehicle studying an IMI Technical Award in Motor Vehicle Mechanical. After completing this Award Chris gained employment with Dolphin Motors working towards his Level 2 Apprenticeship which he successfully completed and moved directly onto the Level 3 Advanced Apprenticeship.

Chris has followed his passion for motor vehicles through to an FdSc in Motorsport Technology. Now at Derby University, Chris is working part-time with Porsche Racing.

Emma Chennells

Apprenticeship: NVQ 2 & 3

Business Administration

Dates: 2006-2007 (Level 2) & 2007-2008

(Level 3)

Emma started her Level 2 Apprenticeship in Business Administration with Lincolnshire House. Emma's passion to raise not only awareness but finances to support Lincolnshire House led to her promotion to Fundraiser where she is responsible for ensuring Lincolnshire House continues to attract publicity and above all raise money to support the charity.

“Apprenticeships set you up for a great career and I would not be able to do what I'm doing now without completing my Apprenticeship. I would recommend an Apprenticeship to anyone that wants to get the best out of their job.”

Emma Chennells

Charlotte Davey

Apprenticeship: NVQ 2 Hairdressing

Dates: 2007 - 2008

After completing a Hairdressing Apprenticeship at North Lindsey College, budding entrepreneur Charlotte Davey went into partnership to run a local hairdressing salon named 'Ladies & Gents'.

Charlotte decided to follow her dream after embarking on a design course which gave her the initiative to start her own salon with her business partner. The pair have been running the salon for nearly 2 years now and business is booming for the salon on Pasture Road in Goole.

“You get to learn more practical skills at College and gain actual hands on experience in the workplace. I would definitely recommend others to take this route.”

Mark Baker

Apprenticeship: NVQ 2 Installing Electrotechnical Systems / NVQ 3 Electrotechnical Services

Dates: 2002-2003 (Level 2) & 2004-2005 (Level 3)

Mark started at North Lindsey College studying NVQ 1 Performing Engineering Operations, Electrical Installation on a full-time basis. He quickly realised an Apprenticeship was the best way forward to progress with his career and soon commenced his Level 2 Apprenticeship in Installing Electrotechnical Advanced Apprenticeship.

After completing his Advanced Apprenticeship, Mark decided to start his own business M.B. Electrical. The company was set up at the beginning of 2008 and covers all areas of electrical installation and maintenance including domestic, commercial and industrial.

“I am really pleased I completed my Apprenticeship. From my point of view, it was the best way forward in my career and that is why I employ Apprentices now.”

Mark Baker, MB Electrical

Scott Wilson

Apprenticeship: NVQ 3 Business

Administration

Dates: 1998 - 1999

North Lindsey College can boast its own Apprenticeship success story with Scott Wilson our HR Manager. Scott left Comprehensive School with 7 GCSE's at Grade C and embarked on the National Diploma in Computer Studies at the College and whilst on the course was informed of a Modern Apprenticeship Programme the College was to run for the first time. Scott applied and successfully obtained a place.

Scott was extremely focused from day 1 and wanted to utilise the skills he had gained immediately in order to make a positive impact on the organisation.

Starting as an apprentice, the first 6 years saw Scott gain further responsibilities and valuable experience within the Personnel/HR team. Scott successfully obtained the position of Equality & Diversity Coordinator. Scott later became HR Officer. This was a further step up in his responsibilities and saw him begin to work closely with the Assistant Principal as well as continue with his Equality/Diversity and staff wellbeing responsibilities.

“My Apprenticeship really helped me succeed and focused my efforts. Without the Apprenticeship, I wouldn't have progressed as much as I have. The goal is now to continue to develop and forge a successful career.”

Matthew & Stephen Joyce

Matthew:

Apprenticeship: NVQ 2 Motor Vehicle Refinishing

Dates: 1993- 1995

Stephen:

Apprenticeship: NVQ 2 Motor Vehicle Maintenance

Dates: 1993 - 1995

Twins Matthew & Stephen Joyce both started Apprenticeships in the Motor Vehicle Industry in the mid 1990's.

Stephen

undertook his Level 2 Apprenticeship in Motor Vehicle Maintenance while Matthew opted to take the Motor Vehicle Paint, Body Repair & Refinishing route.

The new skills they had acquired made Matthew and Stephen determined to succeed in the Motor Industry and it wasn't long before the twins opened their own repair and refinishing business. Established in 1997, MSM have become firmly recognised as one of the premier vehicle body shops within North Lincolnshire.

“North Lindsey College provided me with great skills and fantastic memories that enabled me to succeed in my career. The tutors were great and really pushed me to be the best and achieve high standards. I would really recommend an Apprenticeship to anyone that wishes to gain the best skills in their industry to help them succeed.”
